# A message from the Manager

This year has begun with many new challenges. We have already faced rain and supply chain delays in completing the tennis court project. Completion is currently on track for early February. The staff and Board have been working with the city building department to have permitting approved to update the electrical room. Once completed, it will allow the gym roof, which has already been fitted with solar panels, to begin to generate electricity. Hopefully, this will allow for some relief from the recent rise in utility costs. The most recent SDGE gas bill was \$3,000 more than the December bill. Rising costs affect us all, both at home and at the Club, please be mindful when using the facility. The total cost for utilities last month was \$15,730 as opposed to last year's total of \$11,543. The consumed amounts of energy and water was very close to the year over year totals.

With the start of 2023 we begin the election process. Nominations for the Board members have closed. You can find a complete set of the election rules on the Club's website, [www.rbwestwoodclub.com](http://www.rbwestwoodclub.com). Write-in candidates are still welcome.

You should have or will shortly receive a ballot containing the candidate's statements and photo. To vote you will need to place the completed ballot (voting is cumulative up to 4 votes per ballot) in the smaller envelope and seal it in the larger. Most important, you will be required to sign and place the address on the return portion of the envelope. It would help if you also printed your name next to the signature. The deadline to return your ballot is Monday, March 13<sup>th</sup>, 2023 at 4pm. The annual meeting will be held on Tuesday, March 14<sup>th</sup> in the Lounge at 7pm. All Club members are welcome.

Warm weather will soon be here, and the Club will be doing seasonal hires for lifeguards. If this is of interest to you or someone in your household, please let us know. We are currently looking to fill a lifeguarding certification course here at the Club.

Spring is a great time to do projects around your home and spruce up your curb appeal by upgrading or replacing your landscape. Please remember that these visual and physical enhancements require a completed application to be filed by the Architectural Committee. The ARC generally meets the first and third Wednesday of each month. Please plan to submit all information no later than the Friday before to have your project placed on the agenda for approval.

# Board Member Candidates 2023

Candidates are listed in random order.

## Patricia Wussler

Prior HOA Board Experience, Retired Aerospace Engineer,  
Zoo/Safari Park Volunteer, Former WWPTSA Volunteer

As a 30-yr resident of Westwood, our family has participated in nearly every type of activity that the club offers. Our kids went to the WWC preschool and elementary school. I have volunteered many hours with the school establishing parent-run Math and Science programs. As an incumbent board member, I will apply my expertise to make sure that our club continues to provide the wonderful services that everyone has come to enjoy and expect.
